

# HOW TO TAKE BACK AMERICA

In cooperation with Eagle Council XXXVIII

St. Louis, Missouri

Are you worried about America's future?  
You're not alone.

Join with concerned citizens from across the country and start taking back America to the values and ideals that made us great.

## WORKSHOPS

How to use the Internet effectively: Internet 101

How to promote conservatism online

How to keep global warming from leading to global government

How to lobby Legislators

How to defeat attacks on sovereignty by UN treaties

How to recruit candidates and run for office

How to defend against gay attacks on marriage and religious speech

How to activate people in your church

How conservative activists can use media techniques

How to deal with the supremacist judiciary

Join us on **September 25-26, 2009** to get the tools to fight the battle of ideas and connect with others ready to win!
